## *President's Message*

Dear Members,

It was a pleasure for me, as always, to participate in our latest New Members Ingathering on April 2nd. Every group of applicants brings a range of creation from traditional subjects in a variety of mediums to the unique, beautiful and sometimes amusing approach to self expression. No two artists are alike in their way to show themselves and their relationship to the world around, or in, them. Really quite remarkable.

We also had an excellent mix of familiar and new volunteers assist in the jurying process. The newer team members expressed what we already know ... that working with the jurors is a wonderful learning experience. On this particular day, one of the jurors even stayed afterwards to talk "art" - another bonus of volunteering!

Wishing you all a Happy and Healthy Spring in this season of rebirth.

## *Message from Vice President Nancy Hull*

With the help of numerous volunteers, the Santa Barbara Art Association has 18 new members! On Saturday, April 2, they were chosen by our 3 jurors from a pool of 27 hopefuls. It's an enthusiastic group, many of whom have already entered the April group show at Gallery 113 and have submitted entries for the Channing Peake show. Please give them a warm welcome when you meet. A big *Thank You* goes out to Ron Abeles, Jacqui Bravo, Lori Call, Barbara Cronin-Hershberg, Jim Felland, Alison Frost, Mary Kelly, Gloria Peyrat, Susan Price, Frances Reighley, Cathie Smith, and Brian Tepper for all their efforts in making this event proceed so seamlessly.

Speaking of the Channing Peake show, the window for accepting entries is rapidly closing. The **deadline is April 17**, and it's firm. The jurying will then take several weeks, due to the county's schedule; as soon as it is completed, the results will be emailed to each participating artist. Accepted art must be delivered on May 20, 10-noon. The county folks are hosting a reception for us on **Thursday, June 2**, so please add this to your calendar.

This means that June's First Thursday for SBAA will be at the Channing Peake, and not at the Faulkner, even 'though we have a June show there.

The ingathering for our June Faulkner show will be on **Wednesday, June 1**, and the takedown of that show – as well as the ingathering for our Faulkner July show – will be the same day, **Tuesday June 28**. And, the next show change at 1919 State is scheduled for **Saturday, May 14**, with entry from 10 until noon.

**The next open jurying for the Faulkner small galleries is scheduled for Saturday, June 4.** This is a jurying that the SBAA provides as a community service, and it's open to all local artists. It will follow the same format as jurying new members – 3 jurors, submission of 3 works of art in the morning, and retrieval and results in the afternoon. Once the artists have been selected, the gallery assignments-month & east/west gallery – will be made randomly. Please spread the word about this exciting chance to have a solo show.

As you can see, it's a busy time for SBAA these days, and the organization needs your participation and help to ensure the success of these events. We understand that everyone has non-SBAA demands on their time, and there may be limitations based on distance, health, and other factors. Although we try to take these things into consideration when asking for volunteers, occasionally you may get a request for help that you find unwelcome or inappropriate. When that happens, please don't just ignore the request, but instead extend the courtesy of a quick reply, even if you have to decline. It will save us a lot of effort and mix-ups if we know quickly who is helping at a specific event and who is unable to do so. Thank you so much for your understanding.

*Once again, we are including in this issue some of the artwork submitted by our members when we requested art last month to use to publicize our upcoming shows.*
