## SBAA President's Message

Finally Fall is in the air and the Holidays are fast approaching... certainly my favorite time of year as I am a Winter baby. Because this year is also the 70<sup>th</sup> anniversary of the founding of the Santa Barbara Art Association, we are planning to have a celebratory reception, from 5-7, at our December First Thursday (which will be Dec. 1<sup>st</sup>). We are hoping the Dixie Daddies will be able to entertain us and we are planning to serve a variety of festive treats ... Hot mulled cider, cookies of the season, candy canes, etc.

In keeping with the season, I will need elves to assist in planning and serving. Any and all suggestions are welcome, as are volunteers. You can call me on my home phone (805) 617-9683 or send a text to [cathie.smith@cox.net](mailto:cathie.smith@cox.net) so we can get this party started!

**All members of the SBAA Board of Directors, past and present, thank Manny Lopez for his dedicated management of Gallery 113 for over 20 years.** This gallery has been a great asset to SBAA members who have been able to show their new and old artwork in a prime location without being juried. Below are a couple of pictures from Manny's retirement party.

This issue of the SBAA Newsletter includes an **Operations Report** for the previous fiscal year that the Treasurer, Jacqui Bravo, prepares annually for SBAA members. It explains who does what to make SBAA function and how the income is spent.

SBAA operates with volunteers, most of whom have been doing their tasks for many years so SBAA needs new volunteers to initially back them up and eventually replace them. Please contact any person who performs a role you might be interested in taking over.

One more note, SBAA and Gallery 113 are separate organizations with their own Board of Directors, so SBAA has nothing to do with how Gallery 113 operates. This is confusing because Gallery 113 has been run by artists who are members of SBAA. Gallery 113 now has a new Board of Directors needing your support to be successful.

**Artists of the Month:**

**Barbara Cronin Hershberg**

Her show is called Asian Influence. "Art has a calming power. When I create something, I know that it's done if it's pleasing to me. I am drawn to simple compositions, textures, handmade paper, found objects, unexpected additions and a limited color palette. I enjoy painting paper using the Gelli Plate and having unlimited resources at my fingertips. Lately, the idea of working within the boundaries of a box is interesting to me. "
